CHRISTMAS ON NUTCRACKER COURT

“**Christmas on Nutcracker Court** is another sweet and compelling story about people’s struggles to find love and happiness. Duarte excels at rendering touching scenes, realistic characters and creating a homey, feel-good tone.”—*RT Book Reviews*

“**Christmas on Nutcracker Court** imparts advice on friendship, dating, faith and hope. Duarte’s characters are real. I found myself relating to several of the hardships and heartfelt wishes of her characters. Refreshingly, Duarte did not write immediate love relations for her characters but rather orchestrated ‘possibilities’ that may develop in the future.”—*BellaOnline.com*

MULBERRY PARK

"When six year old Analisa starts writing letters to God, the Almighty takes a very hands-on approach to the trials and troubles of the folks who visit Mulberry Park. The result is a testament to the power of love, forgiveness and generosity. Such a happy book . . . I didn't want it to end."— Druscilla Campbell, author of *Blood Orange*

"An uplifting story about one little girl's unflinching faith and how she extends an open and loving hand to the broken people around her, bringing them close to each other and back into God's gentle embrace."— Cathy Lamb, author of *Julia's Chocolates*

"Ms. Duarte captured my attention with her persuasive writing and smooth flowing story-line which effectively draws to a most satisfying conclusion, leaving me smiling through my tears. If there is only one book that you read this year, *Mulberry Park* by Judy Duarte must be that book."— *SingleTitles.com*

MULBERRY PARK cont.

“This narrative is truly the feel-good story of the year and an awakening of spirituality. Judy Duarte of Silhouette Books fame really hits it out of the park with this one. Each story line connects and comes full circle before drawing together neatly at the end. For those who have faith, this strengthens it. For those who question faith, this renews it. And for those without, this may give you a new outlook. Either way, this book proves the notion that it really is a small world after all.”— *CurledUp.com*

“I found Judy Duarte to be a gifted writer who brings such depth to the characters that they really resemble our neighbors or friends. . . A wonderful book that I think every person should take time to read.”— Robyn Roberts, *OnceUponAReview.net*
